DEADLINE INFORMATION

If this is a new registration application in Florida, the date the completed application is postmarked or hand delivered to a driver's license office, a voter registration agency, an armed forces recruitment office, the Division of Elections, or the office of any supervisor of elections in the state will be your registration date. You must be registered for at least 29 days before you can vote in an election. If your application is complete and you are qualified as a voter, a voter information card will be mailed to you.

PARTY AFFILIATION (BOX #12)

If you wish to register with a major political party, place an "X" in the box next to the desired major party. If you wish to register with a minor political party, place an "X" in the box preceding "minor party" and then print the name of the desired minor party. For a list of all political parties registered in Florida, go to the Division of Elections' web site: <http://election.dos.state.fl.us/online/parties.shtml>. If you do not wish to

register with any political party, place an "X" in the box preceding "NONE." Florida is a closed primary election state. Therefore, to vote in a primary election for partisan candidates, you must be a registered voter in the party for which a primary is being held. Regardless of party affiliation, all registered voters can vote on issues and non-partisan candidates.
