### 1. REQUEST

### 2. VOTE

### 3. SIGN

### 4. DELIVER

Any registered and qualified voter who is eligible to vote in an election may cast their vote-by-mail ballot. A mail ballot may be requested for a specific election or for all elections through the next two regularly scheduled general elections. The request can be made in person, by postal mail, by electronic mail or by telephone. Only the voter or designated member of his or her immediate family or legal guardian can request a vote-by-mail ballot for the voter. The request deadline is always the Wednesday prior to the Election.

The voter must personally vote their ballot. Vote-by-mail ballots are mailed 35 days prior to each election to those voters who have requested a vote-by-mail ballot. Be sure the Elections Office has your correct mailing address. Vote-by-mail ballots are not forwarded by the US Postal Service. Vote-by-mail ballots for overseas military and overseas civilian voters are mailed 45 days prior to an election.

The voter must sign the return envelope. Power of attorney is not recognized for mail voting in the state of Florida. The vote-by-mail ballot will not be counted if the return envelope is not signed or if the signature does not match the signature we have in the voter registration file. An unsigned vote-by-mail ballot may be presented to the Canvassing Board for a decision if this affidavit is received before 5:00 p.m. on the Monday prior to Election Day: [http://www.flaglerelections.com/Portals/Flagler/pdfs/DS-DE\\_139.pdf](http://www.flaglerelections.com/Portals/Flagler/pdfs/DS-DE_139.pdf)

You must mail, personally deliver or have someone else deliver your vote-by-mail ballot inside the completed mailing envelope to the Elections Office. Sufficient postage is required if mailed. Vote-by-mail ballots must be received no later than 7:00 P.M. on the day of the election. Vote-by-mail ballots cannot be turned in at the polling place on Election Day unless the voter himself wishes to vote in person at the polls. If a voter has requested a vote-by-mail ballot and chooses to vote in person at the polls, the vote-by-mail ballot is cancelled and the voter is issued a new ballot.

## ATTENTION VOTERS!

### Florida Statutes EFFECTIVE: 07-01-2016

101.62 (1)(b):  
The supervisor may accept a written or telephonic request for a vote-by-mail ballot to be mailed to an elector's address on file in the Florida Voter Registration System from the elector, or, if directly instructed by the elector, a member of the elector's immediate family, or the elector's legal guardian; if the ballot is requested to be mailed to an address other than the elector's address on file in the Florida Voter Registration System, the request must be made in writing and signed by the elector. However, an absent uniformed service voter or an overseas voter seeking a vote-by-mail ballot is not required to submit a signed, written request for a vote-by-mail ballot that is being mailed to an address other than the elector's address on file in the Florida Voter Registration System.

Florida law requires a vote-by-mail ballot request to an address *other than* the elector's address on file, must be submitted in **WRITING** and **SIGNED** by the voter. Please print, complete and return the form below to request a vote-by-mail ballot. [Request a vote-by-mail ballot online: www.FlaglerElections.com](http://www.FlaglerElections.com)

## FLORIDA IS A CLOSED PRIMARY STATE

Florida is a Closed Primary State. If you wish to vote a candidate running for a partisan office in a Primary Election, you must be a registered voter in the party for which the Primary is being held.

All registered voters, regardless of party affiliation, can vote on issues and nonpartisan candidates in a Primary Election. Where there is a UNIVERSAL PRIMARY CONTEST, all candidates in a race have the same party affiliation with no opposition in the General Election and ALL eligible voters may vote in the Primary Election for that race.
