No. 1 Constitutional Amendment, Article VII, Section 6, Article XII, Section 37

Increased Homestead Property Tax Exemption

Proposing an amendment to the State Constitution to increase the homestead exemption by exempting the assessed valuation of homestead property greater than \$100,000 and up to \$125,000 for all levies other than school district levies. The amendment shall take effect January 1, 2019.

 No

No. 2 Constitutional Amendment, Article XII, Section 27

Limitations on Property Tax Assessments

Proposing an amendment to the State Constitution to permanently retain provisions currently in effect, which limit property tax assessment increases on specified nonhomestead real property, except for school district taxes, to 10 percent each year. If approved, the amendment removes the scheduled repeal of such provisions in 2019 and shall take effect January 1, 2019.

Yes
 No

No. 3 Constitutional Amendment, Article X, Section 29

Voter Control of Gambling in Florida

This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling by requiring that in order for casino gambling to be authorized under Florida law, it must be approved by Florida voters pursuant to Article XI, Section 3 of the Florida Constitution. Affects articles X and XI. Defines casino gambling and clarifies that this amendment does not conflict with federal law regarding state/tribal compacts.

The amendment's impact on state and local government revenues and costs, if any, cannot be determined at this time because of its unknown effect on gambling operations that have not been approved by voters through a constitutional amendment proposed by a citizens' initiative petition process.

Yes
 No

No. 4 Constitutional Amendment, Article VI, Section 4

Voting Restoration Amendment

This amendment restores the voting rights of Floridians with felony convictions after they complete all terms of their sentence including parole or probation. The amendment would not apply to those convicted of murder or sexual offenses, who would continue to be permanently barred from voting unless the Governor and Cabinet vote to restore their voting rights on a case by case basis.

The precise effect of this amendment on state and local government costs cannot be determined, but the operation of current voter registration laws, combined with an increased number of felons registering to vote, will produce higher overall costs relative to the processes in place today. The impact, if any, on state and local government revenues cannot be determined. The fiscal impact of any future legislation that implements a different process cannot be reasonably determined.

Yes
 No

No. 5 Constitutional Amendment, Article VII, Section 19

Supermajority Vote Required to Impose, Authorize, or Raise State Taxes or Fees

Prohibits the legislature from imposing, authorizing, or raising a state tax or fee except through legislation approved by a two-thirds vote of each house of the legislature in a bill containing no other subject. This proposal does not authorize a state tax or fee otherwise prohibited by the Constitution and does not apply to fees or taxes imposed or authorized to be imposed by a county, municipality, school board, or special district.

 No

No. 6 Constitutional Revision, Article I, Section 16, Article V, Sections 8 and 21, Article XII, New Section

Requires judges and hearing officers to independently interpret statutes and rules rather than deferring to government agency's interpretation.
