In preparation for upcoming election cycles, new precinct boundaries have been approved to accommodate areas of growth in the county. Several voting locations have been impacted.

Proposed changes to Flagler County precinct boundaries were presented to the Board of County Commissioners during their public workshop held on May 15, 2017. Two additional precincts were created and the boundaries of several other precincts were adjusted to shift voters from very heavily populated areas. The proposed changes were adopted during the regular meeting of the Board of County Commissioners on June 19, 2017. Affected voters can expect to receive a new Voter Information Card by the end of July 2017. For more information, please call (386) 313-4170.
