Kaiti Lenhart, Supervisor of Elections
Office: (386) 313-4170
Cell: (386) 225-1996
Email: klenhart@flaglerelections.com

“Voter registration is becoming more accessible in the State of Florida. On October 1st, we will join 35 other states across the nation which provide citizens the opportunity to register to vote online. This new online system brings voter registration into the digital age by streamlining the process, reducing paper waste and therefore saving time and money for local governments across the state.” – **Kaiti Lenhart, Flagler County Supervisor of Elections**

Beginning October 1, 2017, any Florida resident who is eligible to vote or currently registered to vote may use Online Voter Registration to register for the first time or update their voter registration.

Use RegisterToVoteFlorida.gov to:

- Submit a new voter registration
- Update an existing voter registration (name, address, party affiliation)
- Request a Voter Information Card

To submit your registration online, applicants will need a Florida driver license or state identification (ID) card and the last four digits of their social security number to complete and submit the voter registration application electronically. Once an individual’s identity is verified and the application is deemed complete, a voter information card is issued by the Flagler County Supervisor of Elections office.

Citizens in Florida may begin using the voter registration website beginning on Sunday, October 1, 2017.
