Do you love voting? Tell us why!

Help us celebrate Valentine's Day this year! Take a [quick survey](#) to tell us why you love to vote. We are collecting responses from the community to learn why you feel voting is important to inspire others. This feedback will be used to develop more targeted outreach programs to help others learn more about the election process and why it's so important for all to participate. The results will be featured on our website.

Questions:

- Why do you love voting?
- Why is voting important to you?
- How do you prefer to vote: By mail? During early voting? At your precinct on Election Day? Why do you have a favorite?
- Do you feel that local elections are important? Why?

This survey only takes a few minutes of your time. Take the survey now:
