Since there is only one candidate in the Democratic Party, the only party participating in the March 19, 2024, election is the Republican Party. **Florida has closed Primary elections, which means, if you are not registered with the Republican Party, you will not be eligible to vote in the upcoming election.** The deadline for new voter registrations and party affiliation changes is February 20, 2024.

The City of Flagler Beach and Town of Beverly Beach will hold their municipal elections in conjunction with the statewide scheduled election. Candidate qualifying ends in January for these municipalities, their current filed candidates can be found at www.FlaglerElections.gov

If you live in the City of Flagler Beach or Town of Beverly Beach, you may vote for municipal offices **regardless of your political party affiliation.** All registered voters within the city limits may vote in their municipal elections.
